Eastside view of the island.

South end of Ram Island and Mt. Baker

Ram Island \$3.5 million

Located south of Center Island and west of Speary Point on Lopez Island.

NWMLS #27136947

Web site: www.kentmeeker.com/Ram.html

One of the few remaining privately owned and undeveloped islands remaining. Ram Island is almost 9 acres and 3800 feet of waterfront. The island has many interesting parts, gravel beach, old forest, grassy plains, and hilltop pinnacle over looking vast stretches of islands and waterways. 360-degree views of Mt. Baker, Olympic Mts and countless islands. Septic design approved, building and dock permits in process. Reverse osmosis desalination system best option for potable water.

View from the island looking east at Mt. Baker.
